

Texas Security General

INSURANCE AGENCY, LLC.

TSG-TYLER is pleased to announce
Karen Jones
as your *interim* E&S Underwriter

As many of you may already know, Don Goodman, your E&S Underwriter, in our Tyler office is taking a medical leave of absence. While we do expect Don to return to work, we find it necessary to *temporarily* assign your agency to another one of our experienced Underwriters and maintain our commitment to the high standard of service that you deserve.

Karen has been part of the TSG-SA Commercial Lines team for 2+ years. She brings a strong work ethic, great customer service skills and a strong desire to grow this book of business by going above and beyond to meet YOUR needs. Karen's previous experience in the retail side of the industry allows her to understand the importance of top-notch service, building strong relationships and finding solutions for your customers.

Karen has found success with quoting the following lines of business and can be extremely competitive:

- Lessor Risks
- Artisan Contractors
- Churches/House of Worship
- Janitorial
- Restaurants
- Non-Profits
- Special Events
- And much more!

Karen can be contacted via email at karenj@txsecgen.com or at 1-800-714-6789.

Please continue to send your submissions to tylersubmissions@txsecgen.com.

She will start quoting on your behalf today. Please contact me directly if you experience any issues or concerns.

Sincerely,

Don Etheredge, CIC
