When your insureds ask: **“Do I need a commercial auto insurance policy?”** Your answer should be “Yes.” As a business owner, they need the same kinds of insurance coverages for the car they use in their business as they do for a car used for personal travel. TSGA offers a Commercial Auto Insurance policy that is very competitively priced when compared with similar insurance products offered by other companies. We insure almost any business type whether it is an established company or a new venture.
