MOBILE HOME UPDATE

While some companies are increasing rates statewide to recap losses incurred from past Texas hurricanes, TSGA's **Mobile Home program rates have not increased!** Low down payments, competitive rates, and convenient budget payment plans are just a few ways that TSGA can help your insureds fit quality insurance into their budget.

Our **direct bill program** offers a **low 20% down payment** with **up to 9 additional payments** providing a payment plan that works with today's tight budgets.

In today's economy your mobile home customers do not need higher insurance rates. . . check out TSGA's mobile home programs in ISi or contact your Underwriter or Marketing Rep for more information.
