AGENT SWEEP OPTION (ACH) PERSONAL LINES POLICIES

Are you one of our many agents taking advantage of our **agent sweep option**? If not, sign up today so you can benefit from this very convenient payment option!

Here are a few points to consider:

- **You are in total control of the sweep!** The sweep is initiated after you post a payment to the insured's policy using the Cash/Check payment link, or enter a down payment amount on the Status screen of the App
- This option is even *more convenient than using the EFT payment link* because you do not need to enter in the account numbers every time you post a payment and you can post 3rd party checks (ex. Mortgage Company, Title Company). You cannot enter 3rd party checks using EFT!
- **After you post a payment, we will draft your agency's bank account 3 days later** allowing ample time for you to deposit the insured's check into your bank.
- If you choose to pay via another avenue, that's fine! **Agency sweeps are there when you need it.** . . . you really have nothing to lose!
- To sign up, or to obtain more information, please visit the Accounting tab of our website at: <http://www.texassecuritygeneral.com/accounting/FormsFAQs.aspx> and view these links:
