# GENERAL RULES

**ELIGIBILITY:** Manufactured homes used for family habitation and light commercial use, are eligible.

**POLICY TERM:** A policy may be written for a term of 12 months. Renewal policies will be based upon the rules, rates and forms in effect on the effective date of the renewal.

**DETERMINING THE MANUFACTURED HOME VALUE:** The manufactured home, and its attached adjacent structures, must be insured to its full actual cash value. If it has been recently purchased, use the purchase price (excluding land) as the base value. If it has not recently been purchased, the current value can be determined from a source such as the manufactured home blue book or similar guide.

**WHOLE DOLLAR PREMIUM ROUNDING:** All policy and endorsement premiums will be a full dollar amount. For this purpose, an amount of fifty (50) cents or more will be rounded to the next whole dollar.

**CHANGES/WAIVER OF PREMIUM:** If insurance is increased or reduced, the additional or unearned premium shall be computed on a pro-rata basis, subject to the minimum premium. If the change results in a premium adjustment of less than \$5, this adjustment may be waived unless the named insured requests the unearned premium be refunded.

**CANCELLATIONS:** If the insurance is canceled at the request of the Company or the insured, the unearned premium will be computed on a pro-rata basis.

**MINIMUM PREMIUMS:** A minimum written premium of \$100, and a minimum earned premium of \$100 will apply to each new and renewal policy.

**POLICY FEE:** A \$20 policy fee will be charged on all new and renewal policies. This fee will be fully earned and is not included in the minimum written and earned premium amount.

## GENERAL RULES (Continued)

**HURRICANE RESTRICTIONS:** During period of hurricane and tropical storm activity we find it necessary to restrict the binding authority of all producers on manufactured homes located in the below listed area in the following manner:

- a. Do not bind or write coverage on new business in the HURRICANE RESTRICTED COUNTIES when any hurricane is within the area of 65 West and 100 West Meridians and 15 North and 40 North Parallels.
- b. Do not bind or write coverage on new business in the HURRICANE RESTRICTED COUNTIES when any tropical storm is within 75 West and 100 West Meridians and 20 North and 40 North Parallels.
- c. No endorsements to existing policies may be issued which have the effect of increasing the limit of liability on personal effects, cabanas, awnings, carports, or shelters while a hurricane or tropical storm is within the above quadrants.
- d. Renewal or expiring Rancher and Farmers or Voyager Indemnity policies may be written providing there is no increase in coverage provided, such as higher limits on Personal Effects Coverage, coverage on cabanas, carports, awnings, screen rooms, etc.
- e. When a hurricane or tropical storm has diminished to a point where the National Hurricane Center has declared that it no longer poses a threat and is no longer classified as a tropical storm or hurricane, all restrictions indicated here are removed.

**EARTHQUAKE RESTRICTIONS:**

When a major earthquake occurs, the Company will impose binding authority restrictions on all agents in the affected area:

- a. Binding authority will be restricted when an earthquake reading 5.0 or greater in the Richter Scale occurs.
- b. Binding authority will be restricted for the day of the quake and for the 3-day period following the quake.
- c. An aftershock reading 5.0 or greater on the Richter Scale will be considered a new earthquake, and will result in a new period of suspended binding authority.
- d. The restrictions will apply to all counties located within 150 miles of the earthquake's epicenter.
- e. The same above restrictions apply to any requests to increase coverage limits.
- f. Renewals are not affected by these restrictions.

**BINDING COVERAGE:** For coverage to begin as requested, the application must be fully completed and signed within 48 hours of the requested effective date. Otherwise, coverage is bound at 12:01 a.m. the day the application is received by the General Agent.

**PREMIUM RULES:**

1. Determine use of the home and determine proper program the risk will be written in.
2. Determine the location of the risk (county, territory, park status).
3. Locate appropriate table for base premium.
4. Add any Deductible credit, the result is the new base premium.
5. Apply the net of any credits and surcharges applicable to the policy, to the new base premium.
6. Add any optional coverages.
7. The result is the Total Premium.
